# What Is Spelling Shed?

- Platform with comprehensive spelling progression in lessons and interactive games
- Built with children, parents and teachers in mind to encourage everyone to enjoy learning to spell

Hi, I'm Bumble the bee.  
You'll see me a lot in  
Spelling Shed!

# Research-Based Spelling

Research has shown that learning to spell is much more than just memorising a list of words.

Children that learn the skills of our language are much more effective spellers.

Spelling Shed helps children develop their language skills, so they learn HOW to spell, not just a list of words.
