

Botley C of E Primary School
Swimming Outcomes

Here at Botley C of E Primary School, we are fortunate enough to have our own outdoor swimming pool. This is a fantastic resource for the children of the school and supports extremely high swimming outcomes. All children from across every year group in the school get to undertake a unit of swimming as part of their PE curriculum every year. The school pool was completely refurbished for the summer of 2018 due to the amazing work of SPLASH, a charitable organisation that was founded in order to save the school pool when it was threatened with closure.

The table below shows the percentage of each year's Year 6 cohort that can meet each of the key swimming objectives when they leave the school.
