

Keeping Safe In School

What are the dangers in school?

Fire!

What do you do if you hear the fire alarm?

What should you do if you are not in the classroom?

What do we do in school to help you keep safe if there was a fire?

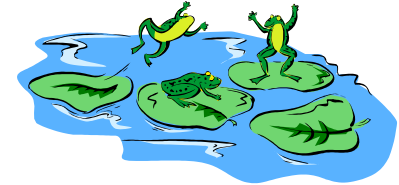

Pond and Playground

How do the adults in school help to keep you safe at playtimes?

How can **you** keep **yourself** safe near the pond?

How can **you** keep **yourself** safe on the playground and Trim Trail?

Swimming

You swim in PE in the summer. What do adults do to keep you safe?

How will **you** keep other people safe?

In the classroom

There are lots of dangers in the classroom.

Can you think of any?

How do **you** keep **yourself** safe in the classroom?

How do the adults help you?

Imagine...

Imagine your friends want to go in the classroom at lunchtime. There are no teachers in there. What would you do?

Imagine...

Imagine you see someone trying to get into the swimming pool at lunchtime. What would you do?

Imagine

Imagine you see an adult in school and they do not have a school visitor badge on. No school adults are with them. What would you do?

Imagine

Imagine you see another child using a piece of equipment in the wrong way and they may hurt themselves. What would you do?
