Deputy Headteacher: Mrs R Shuttle B.Sc. (Hons) PGCE QTS

11th July 2025

Dear Parents,

For your information, the table below shows the percentage of children at the school that met or exceeded age related expectations in their reading, SPaG (spelling, punctuation and grammar) and maths SATS. It also shows the figure for writing and the combined figure (in maths, reading and writing) in Year 6 and how this compares with national and Hampshire outcomes for this year. The second table shows the percentage of children working at greater depth within these areas.

It is of course pleasing to see that we are above in these comparisons and this demonstrates the ethos and culture at the school, the curriculum offer, as well as the hard work of the children and the adults working with them.

Area	School	National	Hampshire
Reading	83%	75%	75%
Writing	80%	72%	72%
SPaG	80%	73%	-
Maths	91%	74%	74%
Combined	77%	62%	61%

Area	School	National	Hampshire
Reading	38%	33%	34%
Writing	28%	13%	14%
SPaG	42%	-	-
Maths	34%	26%	25%
Combined	19%	8%	8%

No matter what the individual outcome for any one child in these assessments, well done to all of the children for their perseverance and positivity towards their learning that they show on a daily basis.

Two key things that parents can do to support their child's achievement when at primary school, no matter what year group they are in, is to encourage them to read daily and read with them regularly whilst ensuring that they are regularly attending school. Quite simply, the more days at school a child is missing the more difficult it becomes for them to attain expectations.

Yours sincerely,

A handwritten signature in black ink, appearing to be 'J. Cooil'.

Mr. J. Cooil
Headteacher
