17th September 2024

Dear Parents,

As many of you will be aware, Secondary School applications opened on Monday 9th September. The Deadline for applications is the 31st October 2024. In previous years, there have been some families who have missed this deadline and have struggled to get a place for their child. I have put together some information below with the aim of supporting you in your application.

Schools

Children from Botley move on to attend various schools. Below is a list of the most common schools our children apply to:

- Deer Park: Botley is one of the named feeder schools for Deer Park. last year, the majority of our students moved on to this school
- Wildern
- Wyvern
- Swanmore

The link for further information about local schools and the application procedure can be found below:

On your options form, they ask you to make multiple choices. We really recommend you fill in top 3 choices and not just put the school you would like: it doesn't guarantee you a place and if for some reason you do not get the chosen school, your child could end up at a school far from where you live if other spaces have been taken in more local schools. I appreciate that filling in and making these choices can be daunting. If you would like support filling out the form then please email me R.Shuttle@Botley.hants.sch.uk and we can arrange a time for you to come and complete this at school.

I hope this information is helpful, please do not hesitate to contact me if you have any questions.

Kindest regards,
Mrs Shuttle
Deputy Head
