28th April 2025

Dear Parents,

We would like to invite your children to our Year 6 SATs breakfast club that we will be running during the exam week **Monday 12th May – Thursday 15th May**. This has been a really successful and popular start to the day for the children over the past few years.

Children may come into school from 8am in the morning and they will be served toast and a selection of cereals in Eagles classroom. The idea of the breakfast club is to help children to relax before undertaking their test papers. Feedback from both parents and children historically has been very positive and children felt more at ease coming into school and having breakfast with their friends.

There is no cost for the children to attend the breakfast club. Children do not have to come to the breakfast club if they do not wish to and if they would like to come, it can be on any day/days that they want. Year 6 children can also attend the breakfast club even if they have had breakfast at home and do not wish to eat at school. If your child is interested in attending, please can you indicate on the slip below so that we have an idea of how much food we need to buy. If your child has any allergies, could you also write this on the slip.

The children are working incredibly hard and we are very proud of them. During the run up to and the week of SATs, it is particularly important that:

- Children are getting a good night's sleep
- They are in school on time

If you have any questions regarding the SATs week or breakfast club, please do not hesitate to come and see me.

Thank you for your continued support.
Kind regards,

Miss Stanton
Year 6 lead

RE: Year 6 Breakfast Club (Monday 12th May – Thursday 15th May)

Name of child _____

My child is interested in coming to breakfast club during the SATs week

My child has the following allergy _____
