20th April 2026

Dear Parents,

I hope you all have had a lovely Easter break. The SATs are rapidly approaching and we wanted to provide you with some information regarding the breakfast club that we will be running during the exam week **Monday 11th May- Thursday 14th May.**

Following the success of the last couple of years, we have decided to run a breakfast club for year 6 children during the week of SATs. **Children may come into school from 8am in the morning** and they will be served toast and a selection of cereals in Eagles classroom. The idea of the breakfast club is to help children to relax before undertaking their test papers. Feedback from both parents and children last year was very positive and children felt more at ease coming into school and having breakfast with their friends.

There is no cost for the children to attend the breakfast club as we have been kindly provided with funding from FOBS. Children do not have to come to the breakfast club if they do not wish to and if they would like to come, it can be on any day/days that they want. Year 6 children can also attend the breakfast club even if they have had breakfast at home and do not wish to eat at school. If your child is interested in attending, please can you indicate on the slip below so that we have an idea of how much food we need to buy. If your child has any allergies, could you also write this on the slip.

The children are working incredibly hard and we are very proud of them. During the run up to and the week of SATs, it is particularly important that:

- Children are getting a good night's sleep
- They are in school on time

If you have any questions regarding the SATs week or breakfast club, please do not hesitate to come and see a member of the Year 5/6 team.

Thank you for your continued support.
 The Year 5/6 team

RE: Year 6 Breakfast club Monday 11th May- Thursday 14th May

Name of child _____

My child is interested in coming to breakfast club during the SATs week

My child has the following allergy _____
