

Welcome to our Library!

We love to read at Botley Primary School.

We have a fantastic library situated right at the heart of the school with over 5000 books and resources available for the children to borrow and use in the classroom.

Our school is strongly committed to improving literacy and we recognise the importance of reading for pleasure. We want to encourage our children to enjoy all aspects of reading and aim to offer them access to a wide range of quality literature.

As a pupil of Botley Primary School, each child will automatically become a member of the library. For more information about our Library Policy and Timetable please see the appropriate tabs. You will also find a link to our library system and the Hampshire Public Library on this page.

Our pupils are encouraged to help in the day to day running of the library and we have a dedicated group of Year 6 Junior Librarians whose help and ideas are invaluable in the upkeep of this space.

To share our love of reading there are a number of local and national activities we participate in throughout the year such as book awards, World Book Day, book quizzes, an interschool reading competition, book swaps, book sales and reading challenges.

We constantly strive to keep our stock up to date and would not be able to do so without the generous support provided by FOBs and our colleagues at Hampshire School Library Service.
